

## Rolling Along Scarf (Infinity or Not)

I like the Cakes the yarn companies are bringing out this year. You can see the colors that will make up your garment and you can decide whether to buy that cake or not. This scarf is made with Premier Yarns Sweet Roll, and it is one that can be worn several different ways, it's up to you to decide how to wear it. You can attach the ends and make it an infinity scarf, not attach the ends, and add tassles. Or not attach the ends and add buttons.

Other yarns to consider: Bernat Pop Cake; Lion Brand Mandala; Caron Cakes; or if you do not want color changes, any worsted weight, #4 with at least 200 yards will work. Vanna's Choice, Red Heart Unforgettable, Plymouth Yarns Encore, Hobby Lobby's I Love This Yarn, Red Heart With Love, Red Heart Soft will all work.

## Instructions

Pull yarn from Center of Cake

With J Hook, Chain 24

Row 1: Single crochet in 2<sup>nd</sup> chain from hook; sc in next chain, continue to end of row, turn

Row 2: Chain 3, skip 1<sup>st</sup> st, V-Stitch in next stitch (dc, ch 1, dc in stitch), skip 2 sts, V-stitch in next st, skip 2 sts, repeat pattern across to last stitch; dc in last stitch (7 V stitches, 1 chain 3, 1 dc)

Row 3: Ch 3, V-stitch (dc, ch 1, dc) in each ch1 space of the V stitch from the previous row.

These V stitches stack on top of each other, as seen in photo.

Row 4: Repeat row 3 until you are almost out of yarn, leave at least 24 inches. Bind off.

To bind off, remove crochet hook from yarn, take tail of yarn, place through loop and pull tight. This closes off the stitch.

To make into infinity scarf, take both ends of scarf so they meet up and whip stitch the edges together, making sure the stitches lay flat. Weave in ends, and cut.

**Fringe/Tassles:** With a piece of cardboard that measures 7in in length. Wrap yarn 20 times. Cut yarn on one side of cardboard only. Take 2 strands, fold in half and pull through the loop with a crochet hook to secure. Repeat for other side.
